Report of the Board of Education

To the Citizens of New Castle :

The School Board respectfully submits the annual report for the year ending February 15, 1916.

Our schools have been free from sickness, bringing them up in their average attendance.

Our Primary School is in charge of Miss Maude Trefethen, and has retained its high standard. The Board refinished the interior of the school room, making it much lighter. A new out-building of brick has been built. This school is in good condition.

The Grammar School is in charge of Mrs. Mabel Stanley, who came to us highly recommended. She is doing excellent work and is making a new standard for this school. We hope to retain her for another year.

According to Public Statutes, Chapter 88, Section 2, as changed by Chapter 52, Laws of 1909, we hereby notify the selectmen that the following sums are required for the ensuing year:

Regular school money required by law	\$810 00
High school tuition	200 00
Text books and supplies	100 00
Flags and appurtenances	20 00

We further recommend that the following sums be raised:

Additional, for general school expenses	\$260 00
Salaries	55 00

Respectfully submitted,

JAMES E. SYLVESTER,
MERTON O. DAVIDSON,
THOMAS G. JACKSON,

School Board.
